MEET THE TEAM

Get to know the team! This edition, meet our **Programme Directors**, Martin & Ellen:

Norjam is a way of life for us.

We have both been involved in Scouting and Guiding for all our lives which includes attending the Jamboree through all stages from dependent to Director. We are very excited to be taking the programme to the next level and offering a wide range of exciting new opportunities for the young people to try all without leaving the grounds of the Jamboree. A large amount of these activities are already on the website but there are still more to come.
